It's just about time for our college students to start classes and we would like to send them off with a reminder about how much they are loved by Jesus and their Pentecost family. The Missions and Evangelism board will be gathering money and items to box up and send off to all of our new and returning college students. Please give information (name and address at school or if they are living at home) about your college student to: Kathy McGregor, Sharon Boehme, or Katy Wagner. We will also be taking up a collection to purchase items to put in their boxes. Money can be put in the collection plate marked for the college boxes, or given to Kathy, Sharon, or Katy. Suggestions on things that you think we should include in the box are also welcome. We plan to send them by the end of August/beginning of September. Thank you!

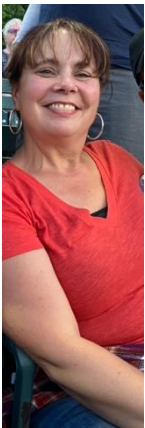

It's finally here! The Chosen season 4 is out and we are ready to dig in. Whether you have joined us in the past, never joined us but have watched before, or never watched it and maybe don't even know what it is... you are welcome! Come

join us in the parish house starting Wednesday, July 31st, at 6:00. We will use a discussion guide to help us walk through as we watch and talk about one episode per week for 8 weeks. Any questions see Katy Wagner

Thanks, Tom, for all the work you did in planning this year's Block Party. Thanks, also, to all who helped gather door prizes, set up, make food, take down... It was a great day!

Thanks, Katy, for setting up the outing to the Kingfish game and to even include a walk off win!

Thanks, Jenna, for organizing the Visitor Bag project.

Did you recognize Tyler Jacob joining his cousin, Deacon, as lectors June 28? Thanks to our youngest lectors. Remember to save those coins, checks, dollars, for our **NOISY OFFERING** the end of September.
